¹⁰ Additional exclusions apply. Please see PART E for a complete list.

LDS Ultimate Coverage provides premium vehicle protection.¹

The car you drive plays an important role in your everyday life. It gets you to and from necessary activities like work and school. It's also an ongoing financial investment.

Rising costs and advanced technologies mean that protecting your investment requires preparation, especially for vehicle repairs that arise after the manufacturer's or other applicable warranty expires.²

That's when LDS Ultimate Coverage takes the wheel. This mechanical breakdown policy pays for the cost of parts and labor when a Covered Part breaks or fails.³ It also covers your rental or rideshare, towing, trip interruption, and roadside assistance costs.⁴

LDS Ultimate Coverage is designed to ease your mind and get you back in the driver's seat.
